# RITESH RATHOD

## PROFILE

Proudly Serving as CTO at PhoenixAlgo!

At PhoenixAlgo, we're revolutionizing education through innovative technology, and I'm honored to lead the charge as Chief Technology Officer

Every day, I'm inspired by the opportunity to make education more accessible, engaging, and impactful for learners worldwide. It's a privilege to contribute to a team that's shaping the future of learning.

Grateful for the chance to lead, create, and innovate in the EdTech space. Let's keep pushing boundaries and making a difference together!

## WORK EXPERIENCE

### PhoenixAlgo

2025 - PRESENT

Chief Technology Officer

- In this dynamic role, I wear many hats:
- Designing Posters & Visual Content: Crafting compelling visuals that communicate our mission and inspire our community.
- Managing Website Development: Building and maintaining a seamless, user-friendly platform to deliver exceptional educational services.

### E-Cell SVPCET

Feb 2025 - PRESENT

Operation Management

- I am working as an Operations Manager at E-Cell, where I oversee the planning and execution of entrepreneurship-focused events, workshops, and initiatives. My role involves coordinating teams, managing resources, and ensuring smooth operations to support the growth of the entrepreneurial ecosystem and inspire future innovators.

### iBase Electrosoft LLP

March 2025

Trainee Developer

- Gained hands-on experience in Python programming, problem-solving techniques, and real-world development workflows.
